

2018 EMPIRE STATE ENERGY CONFERENCE

September 30 - October 2

Resorts World Casino Catskills, Monticello, NY

Request for Presentation

Are you interested in sharing your expertise with those who are responsible for providing energy and home comfort services to consumers in New York State? We're looking for speakers for the 2018 Empire State Energy Conference. If you would like to be considered for participating as a presenter at our conference, please fill out the form below. Please note that the deadline to submit your proposal is June 30, 2018.

NOTE: The Empire State Energy Conference committee will be reviewing all submissions to ensure that presentations are educational and not merely self-promotion for your company and/or product. **Presentations cannot be sales pitches.** However, for some Technical Track programs, products may be used for demonstration purposes.
