

Dear Students:

It is our pleasure to announce that two scholarships will be awarded this year: The Empire State Energy Association Award and The Alan P. Savory Award. Scholarship Awards are open to all high school seniors who are children of ESEA members in good standing or who are children of employees of an ESEA member.

To be considered eligible, a member company must be the company specified in the ESEA membership application and not an associated, affiliated or otherwise related company or entity. Unless otherwise requested, these scholarship awards are paid directly to the accredited institution of higher learning to which the winning candidates have been accepted.

Enclosed is the application form with sections to be completed by the applicant, parent or guardian, and school counselor.

Please bear in mind that all application forms must be completed and returned to the ESEA office no later than May 22, 2020. If additional applications are required, please notify the ESEA office and we will be glad to forward them to you.

THE ESEA SCHOLARSHIP AWARDS PROGRAM

THE AWARDS

ALAN P. SAVORY
MEMORIAL
SCHOLARSHIP AWARD:
\$1,500

This was the first Scholarship Award. It was presented in 1968 and granted \$600 towards tuition, books and other materials at the college or university of the recipient's choice. In 1974, the award was increased to \$800 and renamed the Alan P. Savory Memorial Scholarship Award, in memory of the young ESPA leader who died unexpectedly while on vacation with his family. Mr. Savory had just completed two terms as President and Board Chairman a short time before his death. The current \$1,500 scholarship serves as a living memorial to Mr. Savory's leadership.

JAMES R. BUHRMASTER
MEMORIAL
SCHOLARSHIP AWARD:
\$1,500

Since 1968, the Scholarship Award Program has been recognizing children of both association members and their employees for academic excellence and citizenship. This \$1,500 scholarship award was first presented in 2008 as the Empire State Scholarship Award. In 2020, the award has been renamed the James R. Buhrmaster Memorial Scholarship Award, in memory of our dear friend Jim Buhrmaster. Jim was a driving force in the energy industry for more than 45 years. He served as ESEA's past president, past chairman and treasurer. In addition to tirelessly advocating for the industry, Jim was a dedicated public servant, and more than anything, valued his family, his business, and helping the next generation succeed. With this scholarship in his name, those values will live on.
